M. L. BIRD

## Bird Is Named Operating Manager Lone Star Gas Co.

M. L. Bird of Abilene has been appointed operating manager for Lone Star Gas Company's general division of distribution which represents gas distribution systems owned and operated by the company here and in more than 300 other cities and towns in Texas and Oklahoma, according to Chester L. May of Dallas, vice-president in charge of distribution properties. Mr. Bird, with Lone Star since 1925, will have headquarters in Dallas and his territory will include all company distribution plants except those located in the Dallas and Fort Worth divisions.

Mr. May also announced the appointment of Joe C. Darrow as Mr. Bird's successor as superintendent of Lone Star's Abilene division of distribution. Mr. Darrow, superintendent of distribution for Lone Star's Dallas division since 1946, joined Lone Star in 1927. He will have headquarters in Abilene and direct distribution operations for more than seventy cities and towns comprising the Abilene division.

ALFRED T. PRICE, JR.

Alfred T. Price, Jr., USN, son of Mr. and Mrs. Alfred T. Price, Sr., of Cameron has completed the prescribed course of study at the Airman School, class P, Naval Air Technical Training Center, Memphis, Tennessee.

He received his certificate October 7, which was signed by W. S. Cunningham, U. S. Navy, Commanding. Mr. Price volunteered for the Navy in April.

## T. C. FISHER RITES AT LIBERTY SATURDAY

T. C. (Champ) Fisher, 70, native of Milam county, died at the home of his son, George N. Fisher, on Route 3, Cameron, shortly after midnight on Saturday, October 15.

Mr. Fisher had been ill for about one year. He was born in Milam county July 14, 1879 and had lived here all his life. He was a farmer and stockman.

Funeral services were to be held at 4 p. m. Saturday, October 15 from the Methodist church at Liberty by Rev. H. E. Crone, Christian church minister from Temple, with interment in Liberty Cemetery with the Green Funeral Home directing arrangements. The body was at the Chapel of the Green Funeral Home.

Surviving are the following: Three sons Edward C. Fisher, Houston; George N. Fisher and William T. Fisher of Cameron; one daughter, Mrs. J. F. Matthews of Arcadia, La., two brothers, Frank Fisher and J. A. Fisher of Cameron. Six grand children survive.

## How New Farm Bill Affects Cotton Is Explained By Poage

WASHINGTON, Oct. 18—Here's what the new farm bill, agreed on Tuesday by house and senate conferees, will do to cotton, according to Rep. W. R. Poage, Waco, member of the house agriculture committee and one of the conferees.

In 1950, cotton will be supported at 27.04 cents if parity should stay as it is now. However, parity is expected to drop somewhat.

This price is arrived at by taking 90 per cent of the old parity on cotton with parity figured at 30.05.

In 1951, cotton gets 80 per cent of the old parity or a price support of 24 cents.

In 1952, cotton gets not less than 75 per cent of parity or 22½ cents.

1953, same.

1954, and then on, the nation will go on the Anderson plan. Cotton will be supported at 75 per cent of the Anderson parity of 21 cents a pound.

For corn, wheat, rice, tobacco and peanuts, parity will be figured either on the old formula or the new base period, whichever is the more advantageous. After four years, the Anderson plan will apply to these commodities with a sliding scale for figuring parity.

Poage said had the house conferees not insisted on a higher parity, the senate conferees would have prevailed. That would have given products a support of 90 per cent of the new parity for one year which would have meant 25 cent cotton and after that only 75 per cent of parity or 21-cent cotton.

## 90 PARITY POSSIBLE UNDER NEW PROPOSAL

WASHINGTON, Oct. 18—Congress moved today toward passage of a farm bill which would let the government keep agricultural price supports at or near wartime levels indefinitely.

Hammered out by a senate-house conference committee after days of bitter discord, the measure was being put into final shape for submission to both houses.

The bill would give the Agriculture department authority to support prices of virtually every farm commodity at 90 per cent of parity as long as it wished and as long as congress made the support funds available. This is the level of support in effect for most commodities since early in the war.

Parity is a legal standard for measuring farm prices: It is figured to give the farmer a "fair purchasing power" for his crops, in terms of nails and overalls and other things he buys at the store.

For consumers, the compromise proposal held out little prospect of any material change in food prices—with the possible exception of beef and lamb—if the department chooses to keep the maximum support levels.

The bill does set certain minimums—some as low as zero—but the department would be free to ignore them and retain the relatively high level supports.

This administrative freedom to maintain 90 per cent parity supports appeared highly significant for two reasons:

(1) President Truman and Secretary of Agriculture Brannan have indicated they favor such supports as a general rule, and (2) the reluctance of political parities to reduce supports lest they alienate the farm vote.

## The J. O. Hughes Are Here On Visit

Mr. and Mrs. J. O. Hughes of Lacey Springs, Alabama, are in Cameron for a two day visit with old friends.

They have just returned from a vacation trip to Phoenix, Arizona and other points in the west.

Mr. Hughes is a former resident at Ad Hall, also in Cameron, and owns a farm at the former place which he retains with the idea that someday he may come back to his old home. They are members of the school faculty at Lacey Springs, Alabama. The school was suspended for three weeks during the harvest season and Mr. and Mrs. Hughes took advantage of the interval to make the trip out west and come to Cameron.

Mrs. J. F. McCrory of Hubbard is visiting Mr. and Mrs. W. H. Stafford and Mrs. J. D. Eplen this week.

## FUNERAL ON WEDNESDAY FOR MRS. GEO. PEETS

Mrs. George H. Peets, 69, of Maysfield, died shortly after noon Monday, October 17 in St. Edwards Hospital in Cameron.

Mrs. Peets, member of a prominent pioneer family in Milam county, was born at Maysfield on February 2, 1880 the daughter of the late pioneer settlers, Mr. and Mrs. Herbert Williams.

She had been ill for some time and under treatment but her condition was not generally known to her friends. Her death was a severe shock to many here and at the old home in Maysfield.

Mrs. Peets, born and reared at Maysfield, was married to George H. Peets there, and their only child, a son, was the late Captain George Peets who was made captive along with his company when the Japanese overran the Philippines.

Captain Peets returned to the armed services shortly before the war came in 1942 and was assigned to duty in the Philippine Islands. After the forced surrender on Corregidor they became prisoners of war and were held in a Jap prison camp. When the American forces began to beat back into that area of the Pacific the Japs made a move to transfer prisoners to the continent of Asia. It was during one of these by sea transfers that Capt. Peets was lost. The ship was torpedoed and sunk.

Mr. and Mrs. Peets were large land owners at Maysfield and had lived on their farm there for many years.

Funeral services were to be held from the chapel of the Marek-Burns Funeral Home in Cameron on Wednesday, October 19, at 10 o'clock a. m. by Dr. W. R. Hall, minister at First Presbyterian Church, with interment in the historic cemetery of Little River at Jones Prairie.

Surviving are her husband, George H. Peets of Maysfield; three sisters, Mrs. Amelia Williams with the University of Texas; Mrs. L. K. Smoot and Mrs. Virginia K. Freeman, all of Austin. Included among the survivors are a number of nieces and nephews.

## RUDOLPH E. GLASER DIED HERE TUESDAY

Rudolph Earnest Glaser, 58, member of a prominent Milam county family, died in St. Edwards Hospital in Cameron at 5:30 a. m. Tuesday, October 18.

Mr. Glaser had been under treatment at the hospital for several days and his health, it was understood here, had not been good in recent months.

Mr. Glaser was a native of Washington county, born near the community of Kenny, Texas on November 1, 1890. He was the son of the late pioneer August Glaser and Emma Glaser. The father preceded him in death some years ago. The mother of the ten sons of the family, still lives.

Mr. Glaser was a farmer and had so engaged for all the years he had been a resident of Milam county.

Funeral services were to be held from the Chapel at the Green Funeral Home in Cameron at 3:30 p. m. Wednesday, October 19. He was a member of the Lutheran church.

Surviving are two sons, Earnest and Marvin Glaser of Cameron; two daughters, Mrs. Aline Tepera of Cameron and Mrs. Mildred Childress of Vacaville, California; his mother, Mrs. Emma Glaser of Cameron; nine brothers as follows: Fritz Glaser and Herman Glaser of Buckholts; Theo Glaser of Mart; August Glaser, Otto Glaser, Albert Glaser, Willie Glaser, Leo Glaser and Robert Glaser all of Cameron.

## Mrs. J. L. Walker To Open Photo Shop In November

Mrs. J. L. Walker is home this week from Dallas where she is attending Southwestern Institute of Photographic Art and while here she is completing arrangements for the opening of her shop in Cameron.

Mrs. Walker has been attending the Dallas school for some time. She is the wife of Dr. J. L. Walker, prominent Cameron surgeon.

Mrs. Walker has leased the building adjoining the F. C. Fahrendorf cotton offices and will open her photo business about the middle of November. She will complete her work at the Institute in Dallas within a few weeks and return here to prepare for the opening of her business.

## FIRST WINTER BLAST IS DUE

## CIVIC MUSIC PLAN IS LAUNCHED

## YOEMEN SEE TOUGH FIGHT

### CAMERON DUE TO FEEL EFFECTS OF WEATHER

Winter weather was spreading rapidly over the northwest and storming into Colorado and portions of northern New Mexico early Wednesday.

The storm that laid snow several feet deep in Montana and Wyoming and sent temperatures down to 13 degrees at Cut Bank, Montana, would diminish somewhat before hitting the Texas Panhandle Wednesday it was forecast.

Freezing temperatures were due in the Panhandle and in Oklahoma by Thursday morning. The effects of the cold wave, first winter weather in 1949, might be felt in Cameron late Thursday or sooner, all depending on the speed of the movement of the wave.

Chas. Swift who keeps a tab on weather, said today that Cameron had frost on October 17 in 1948 and also a little lice. If the cold wave comes through as indicated frost is certain to come to many sections of the state this week end.

Some rain was falling in Oklahoma and in the northern Panhandle ahead of the storm. Some rain is due to fall in the wake of the wave as far south as Central Texas.

On the whole the weather will be cold and good for football fans, barring a rain which is in the making.

Northwestern Wyoming, including Yellowstone Park, was under 5 inches of snow. An unconfirmed broadcast said that 9 degrees was reported at one point in Montana.

If the change comes as predicted it will be a sharp turnover from the torrid weather experienced here since Sunday.

### District Legion Convention Will Be Held In Rockdale

Spring convention of the American Legion will be held in Rockdale in 1950.

Site for the meeting was named at the 11th District Convention in West Sunday. The convention has not met in Rockdale for 15 years.

Legion posts from Cameron and Rockdale were well represented at the meeting. The veterans discussed more beds for McCloskey Hospital in Temple and a larger staff of doctors. John Ben Sheppard of Gladewater was the principal speaker.

Joe Gerriek represented the Edwin Hardy Post and from Rockdale were W. P. Hogan, John Weid, Jr., Cecil Backhaus, Lois Rinn, George Lunkin and T. L. York.

Mrs. Rosa Kemp Adams of Houston, is spending this week here in the Kemp home on Main street.

### Doak Walker Ill; Has Influenza and Is Out of Game

Doak Walker, twice All-American and ace back for the SMU Mustangs, is ill and will not be able to play in the game against Kentucky Saturday night.

Walker, regarded by many as the greatest back in Southwest Conference history, awoke at 3 a. m. Wednesday with fever. A physician was summoned and the Doaker was taken to a hospital where at noon physicians said he has influenza.

Walker was slightly injured Saturday night in the Rice-SMU game but suffered no ill effects.

### DUTCH MEYER TO RETIRE

Dutch Meyer, famed coach of Texas Christian University, is going to retire at the end of the year, it was said Wednesday. He has been coach at TCU for more than a decade and next to Matty Bell at SMU is the oldest coach in point of service in the Southwest.

Little Patsy Tomez, daughter of Andrew Tomez has returned home after being ill in Newton Memorial Hospital.

### CIVIC MUSIC MEMBER DRIVE OPENS OCT. 24

Good music through a series of concerts to be held in Cameron will be sought again for 1949-50 season through the Milam County Civic Music Association.

Plans for the second annual membership canvas were made Monday evening at a meeting of officers, division chairmen and captains held in the offices of Dr. C. G. Swift.

Membership campaign will open Monday evening, October 24, with a kickoff dinner at the Cameron Country Club and will extend through Saturday, October 29.

During this week a voluntary working force under the direction of Mrs. Leland Denson and Mrs. Charles Smith, Jr., campaign chairmen, will enroll members for the coming season's series of concerts. At the end of the campaign, membership in the Association will be closed again for another year. Concerts may be attended only by members.

Headquarters have again been established in the Cameron Hotel lobby and a special phone 1004 has been installed.

During the past season, Civic Music presented the National Male Quartette, Francine Falkor and Jacques Abram for its members.

Officers for the organization are Max McClaren, President; Mrs. C. G. Swift, Secretary; Miss Shirley Horstmann, Treasurer; and Mrs. Joseph Hickman, Mrs. H. L. Callaway, Jr., Mrs. Chas. Smith, Jr., Mrs. T. L. Denson, Mrs. Stanley Swift, and Mrs. Ralph Koepf, Vice Presidents.

### Old Age Assistance Rolls In Texas Gain 739 New Persons

AUSTIN, Oct. 12—Old age assistance rolls in Texas gained 739 new persons during the last month, John H. Winters, executive secretary of the State Department of Public Welfare, reported today.

The gain brought the total number of persons receiving old age assistance in Texas to 219,382. Payments, dropped five cents from September averaged \$34.16 for this month, Winters said.

Assistance was given 6,234 needy blind, with the amount totaling \$240,039.

A total of 17,260 families participated in the aid to dependent children program, with checks totaling \$806,832. They averaged, Winters said, \$46.75 per family, a cut of 6 per cent from September because of a shortage of funds.

### Woman Nominated Envoy to Denmark

WASHINGTON, Oct. 12 — Mrs. Eugene Anderson of Red Wing, Minn., was nominated Wednesday as ambassador to Denmark.

She would be the first woman to hold that rank in the diplomatic service.

President Truman sent the nomination of the Democratic National committeewoman from Minnesota to the Senate.

Active in the Democratic Party since 1944, Mrs. Anderson has long been identified with the League of Women Voters.

### Home Burns While He's In Hospital

The home of A. Curington, colored, at Branchville, and all its contents were completely destroyed by fire with no insurance on Tuesday, October 17.

Curington, well known negro citizen for many years, is looking forward to being released from Newton Memorial Hospital where he has been under treatment since August 5.

Both white and colored friends are going to help him since his needs are now very great.

### KILLEEN KANGAROOS KEYED FOR BIG TEST

The Yoemen are well aware of the job ahead this week end in Killeen.

They know it is a tough assignment but they have a lot at stake. They have won two conference games. If they can beat Killeen it will mean that they have achieved a percentage of 500 in the conference column and no foolin'.

The Yoemen came out of the Taylor game minus Clyde Batte, first string half back and one of the best ball toters on the team. Otherwise the team is in first rate shape, according to Coach Paul Smith who was doing his accustomed long hours job getting the men into shape. Likewise Dick Young, the line coach, for it was that line that meant so much in the Taylor game.

There were no statistics available on the teams, so we cannot bring as accurate account as might be. Killeen has lost only one game and that was a conference game to Belton 12 to 6. The Yoemen have lost two, but no conference games.

Killeen is concentrating on the Cameron game. They know if they lose they are out of the running. If Cameron wins they are in the race to stay. So both teams have everything involved. Stringer, the Kangaroo back who has led the attack, may be back in the game. He has been out with injuries.

Killeen has not won from Cameron in three years. They are hungry for a triumph over Cameron. Back in 1945 Killeen defeated Cameron 38 to 0. Since that time Cameron has won every year. In 1941 it was Cameron 14, Killeen 6. In 1947 it was Cameron 7 and Killeen 0. In 1940 it was Cameron 40 and Killeen 13.

### MRS. JOHN E. BRENEK BURIED IN TEMPLE

Mrs. John E. Brenek, 33, died in St. Edwards Hospital Monday at 5:20 p. m. after an illness of three weeks.

Funeral services were held at 9 a. m. Wednesday at St. Mary's Catholic church, Temple with Father Robert Fuchs officiating. Burial was made in Hillcrest cemetery with Hewett Funeral Home in charge.

Mrs. Brenek was born January 5, 1916, at Cameron and had lived in Temple for the past nine months. She is the former Miss Albertina Marie Mihatsch, and was married to John E. Brenek, September 25, 1939. She was a member of St. Mary's Catholic church in Temple.

Survivors include her husband; one son, Johnnie Lee Brenek of Temple; two daughters, Mary Ann and Dorothy Brenek of Temple; her parents, Mr. and Mrs. John Mahatsch of Burlington; three brothers, Joe and Edward Mihatsch both of Burlington and Albert Mihatsch of Temple; three sisters, Mrs. James Ach of Temple, Mrs. Robert Vasicek of Temple and Mrs. Weldor Geller of Waco.

### Beauty Culturists In Cameron Meet

Cameron unit 63 of the Texas Association of accredited Beauty Culturists held their monthly meeting with a weiner roast at the Way Side Inn Monday evening at 7:30.

Nine members were present, Lillie Richter, Bernice Schiller, Lorraine Arnold, Lou Coward, Katherine Ondrej, Fay Rummel, Irene Fuller and two members from Rockdale, Irene Lamb and Mattie Dockall.

The Association was organized last year and holds regular monthly meetings.

The evening was an enjoyable one.

Misses Gloria Triggs and Jeannine Mullins, student at Southwestern University in Georgetown visited Miss Triggs parents, Mr. and Mrs. R. A. Triggs and Miss Helen Peel recently.

## THOUSANDS THRILLED BY SPECTACULAR PLAY

Precision bombing by Alton Fuchs, sensational pass snatching by Frank Malone plus the trigger toe of Little Glenn Rosenberg, put a few more names on the list of Yoemen immortals here Friday night as Cameron beat Taylor 20 to 19 in one of the biggest gridiron thrillers in the history of the game.

Super line play made it possible and a never die spirit catapulted the Yoemen into the circle of first rate contenders for the district title.

Three times the Yoemen came from behind after a scoreless ball game at the half, to tie the score and keep in the ball game. In the fading moments of the game after Malone had taken a pass from Fuchs to put the ball on the Duck 3 from where Fuchs scooted over, in came Little Glenn Rosenberg for the extra try. He had kicked one a few minutes before to put the Yoemen ahead 13 to 12. Hopes and heart throbs were in thousands of eyes as fans breathlessly awaited the try. No Yoemen ever came through under greater pressure but Glenn Rosenberg, like a veteran, gave Cameron its second conference game with a perfect toe blast that split the upright and the stands went wild.

The Taylor Ducks paced by Tally and Buzan and the sensational pass catching by Meisner scored first in the third quarter. Cameron came back and stormed over after a long march down field led by Fuchs and Malone, alternating between ground plays and passing. Buzan got away for 92 yards and a score but they missed two extra points. A dead end play with Malone taking a pass gave Cameron the tying score and Rosenberg sent the Yoemen out front 13 to 12 on the extra try. The Ducks went in the air and soon had another and converting made it 19 to 13. Fuchs started bombing and Malone carried to the 3. Fuchs was over and Rosenberg made it two out of three conversions and the game was over, 20 to 19 for Cameron.

The only refrain of the game was caused by an injury to Eldon Batte who suffered a broken collar bone in the first quarter. Coach Paul Smith said Batte would be out for some time. He was hospitalized and under physicians care Saturday.

**1st Quarter**  
Cameron won the toss and elected to receive as Co-Captains Gibson and Fuchs went to the center of the field to meet Captain Buzan of the Taylor Ducks. Tally kicked off to Fuchs and there was a 20 yard runback, and the ball was on the Cameron 32. Fuchs picked up 7 and Lankford made it another two and Michalka quarterbacked it over for the initial first down of the game. The drive folded as Batte and Lankford failed yardage. Fuchs kicked out on the Taylor 34. Bob Stanislaw came in at defensive end position. The Yoemen line rose up to smack down three tries by Tally and Clemmer with Louis Hollas spearheading the charge and Taylor had to kick after a 5 yard offside penalty hit the Ducks. Fuchs could get no runback. Fuchs and Batte made 9 yards and Charlie Michalka sneaked it over for a first down. Fuchs passed to Batte for another first and Taylor called time out. Ralph Michalka came in at tackle for Earnest Batte. Fuchs went through the middle for 14 yards and put the ball on the Taylor 24. It was a good offensive with Fuchs leading. Cameron drew 5 yards for offside

and that cost the Yoemen a score. Eldon Batte swept the duck left end for 7 and was hurt on the play and went out of the game. Fuchs could not gain and a pass to Malone was no good and the ball went over on the Taylor 17. Buzan in two tries racked up 9 yards as the quarter ended.

**2nd Quarter**  
Clemmer made it a first down. Buzan picked up 4, a tricky runner. Big Melroy Eixman broke through and spilled Buzan for a 3 yard loss and a pass to ace snatcher Meisner was no good. Tally kicked to Lankford who was hemmed in and the ball was on the Cameron 37. The Yoemen line is giving the best performance of the year if not for many years. It is terrific. The Duck line stormed right back and Fuchs and Lankford got little yardage. Lankford was spilled for a 7 yard loss and Fuchs punted to the Taylor 41. Tally, fast boy of the Duck backfield, on a fake pass ran for 14 yards and a first down. A pass was no good but Clemmer made 4 and Tally got another first down to put the ball on the Cameron 28. The Ducks were getting great end play. The Yoemen line stayed off this threat. Tally passed to McLaughlin but there was a loss of yardage. Cameron refused a penalty and Buzan was along for 6 yards, spilled by Gibson the Yoemen center. Tally almost got a first down but fumbled the ball and recovered. It was inches for a first in the shadow of the Cameron goal and a pass from center was fumbled on first down and the ball went over. Cameron drew a penalty for offside and then Fuchs got away for a first down to put the ball on the Cameron 34. Lankford got two and Fuchs was away on an end around for another first down on the Yoemen 48. It was a great offensive. Fuchs who was by far the offensive star of the night, racked up another first down running 15 yards around the Taylor left end. Lankford got 5 and on the next play Frank Malone who was sensational on pass catching took a perfect heave from Fuchs on the Taylor 16 but was jarred loose and the ball spilled away to the Taylor 7 where it was pounced on by Buzan who on the first play got 9 yards and a pass to Holman was no good. Tally was stopped by Lankford in a brilliant tackle and Taylor punted with Lankford running it back to his own 40 as the half ended.

**At Half Time**  
The Taylor band came on and it was an excellent performance in the dark as red and blue sparks moved about in the night below. They made a "Y" for Camreon and "THS" for the Taylor fans who were packed into the south stands. The crowd was large and as usual Cameron could not give the good people seats. The spectators were several deep along the sides and backed into the end zones as the inadequate stadium was overflowed an hour before game time. The Cameron band came on for the best performance of the year. A fine courtesy with "TD" for Taylor Ducks. And then "YOE" with the school song. A new and unique formation, an aeroplane etched in lights

as the floods were turned off. Twirlers with batons spiked with flashes made the propellers as the plane moved down field. Finally EX for ex-students attending the game for homecoming and off the field amid great applause.

**3rd Quarter**  
Stanislaw came in at left end. This was to be the most explosive half in the history of the Yoemen field. Johns, the Cameron left end, took over kickoff chores. He booted to Richards and the ball was on the Duck 34. Clemmer got 2 and Tally threw a pass to Buzan for 30 yards and the ball was on the Cameron 33. Fuchs threw Tally for a 3 yard loss. Lankford subbed in for Jimmy Thompson in the backfield and Taylor drew five yards for backfield in motion. Meisner who was to prove a sensation at pass catching took a long heave from Tally and was over the goal for the first score of the game. The extra try failed and Taylor led 6 to 0. The Yoemen stormed back. Tally kicked to Fuchs who lugged it back only 9 yards. Fuchs raced it to the 50, then Lankford and Fuchs carried for a first down on the Taylor 38. Here the offensive bogged down and Fuchs punted out on the Taylor 5. Buzan, Tally and Clemmer made it a first down on the Taylor 15. Tally's pass to Meisner was no good. Buzan got 4 and Hollas spilled Tally for a loss and they had to kick. Fuchs took the kick deep down and got away down the sidelines and ran it to the Taylor 25. He had good blocking. The next play was a heart breaker. Fuchs fumbled a wobbly pass from center and Taylor recovered on her own 30. A pass was no good. Tally got six, spilled by Stanislaw and Bill Neely. At this juncture Earnest Batte came in for Ralph

Michalka at tackle. Clemmer got 8 yards but the Cameron line bucked up magnificently and the Ducks had to kick. Charlie Michalka got loose with the punt and ran it to the Taylor 8 yard line. Fuchs carried to the 1. Fuchs crashed over and in came Little Glenn Rosenberg on whose trigger toed magic the game was finally to hang in the balance. Glenn missed this one and the score was tied up 6 to 6. What a ball game! On the kickoff Tally ran it back 31 yards to the Cameron 40. Buzan lacked a yard for a first down. Denson Ermis came in at guard to replace Bill Neely. Cameron recovered a Taylor fumble to get the ball on the Duck 48. Fuchs and Lankford got a first down and Hafernick intercepted a long pass intended for Malone. Taylor drew five yards for backfield in motion. Eddie Lankford broke up a pass and Malone spilled Tally and on the next play Marvin Allen who had come in at tackle position broke through and blocked a punt. Taylor recovered but had to kick again and the ball went dead on the 50 as the quarter ended.

**4th Quarter**  
Fuchs picked up 5 yards and Malone was way down on the Duck 10 when he took a pass but lost it when jarred heavily. It was a fine catch under difficulty. Taylor recovered on her own 15. Buzan who got the pass back on his 10 yard line broke away behind perfect interference and twisted through the entire Cameron team for 90 yards and a touchdown. The extra try was missed and the score was Taylor 12 and Cameron 6. The Yoemen resorted to one of the oldest deceptions in football, a dead end play. Frank Malone lay on the north side line after the kickoff. The ball was on the Cameron 34. Fuchs took

the pass back and threw a perfect pass to Malone who raced down the corridor for 66 yards and pay dirt. Rosenberg came in and laced the ball through the uprights and Cameron was in the lead for the first time. It was Cameron 13 and Taylor 12. Johns kicked off to Buzan and the ball was on the Taylor 20. A pass put the ball on the Taylor 45. Another pass was broken up. Tally made a first down on the Cameron 45. Tally was stopped by Johns after a two yard pickup and then Buzan took a pass from Tally to put the ball on the Cameron 13. Another pass was broken up and Tally raced to the 3. It was a first down. Tally lacked a half yard but carried over on the next play. The Cameron line swarmed through and the extra try was no good. Taylor led for the third time in the game 19 to 13. Tally kicked off to Fuchs and the Camreon back raced it to his own 34. A pass to Malone put the ball on the 50 good for 16 yards. Malone took another pass for 7. Malone then teamed with Fuchs to execute a perfect pass play that carried to the Duck 3 yard line and Fuchs went over for the score. In came Little Glenn Rosenberg. He had kick-

ed one on the east goal under great pressure. Now it seemed that the weight of anticipation from thousands as all eyes turned, might well break down a veteran at the business, but not the Little Rose. The trigger toe was working and with calm deliberation he sent it through the uprights and Cameron had won a ball game. It was 20 to 19. Buzan ran the kickoff to the Cameron 45 in the waning moments of play. A pass to Meisner put the ball on the Cameron on the Cameron 46. Final score Cameron 20, Taylor 19.

## Allred and Connally Get Senate OK

WASHINGTON, Oct. 12—The Senate Wednesday confirmed Ben C. Connally, son of Senator Connally of Texas, and former Gov. James V. Allred of Texas, judges for the southern district of Texas.

Other nominations confirmed included:

Herbert I. Hinds to be the United States marshal for the eastern district of Oklahoma.

*This Week... take  
a look at the industry  
behind the service  
station where you  
buy gasoline*

As an average American, you probably take it pretty much for granted that the oil industry will supply you with dependable gasolines and motor oils for your car.

Your confidence is well placed. In the 90 years since the Drake well "came in" in Pennsylvania, oil has progressed from "rock oil", a medicine advertised as good for man and beast... through an age of kerosene, when petroleum fueled the lamps of the world... to the great industry which today supplies you not only with gasoline and motor oil, but also with heating oils... with rubber... house paints... insecticides... detergents... plastics... cosmetics... solvents... a list of products too long for printing!

This week, October 16-22, the oil industry specially marks the great progress made since 1859 — progress evident in the scientific methods used in the search for oil; progress in the production and conservation of oil; progress in oil

OIL PROGRESS WEEK  
OCTOBER 16-22

refining and the development of new petroleum products; progress in distribution which makes oil products available to every American.

The two million men and women of the industry are proud of its accomplishments; at the same time, they recognize an obligation to you as the customer whose needs have made progress possible, and to the nation which provided the encouragement of an enterprising spirit along every step of the way. ## Texas Cotton Crop Estimates Are Up

AUSTIN, Oct. 15—Bumper cotton prospects in Texas were pictured today by the United States Department of Agriculture as being even better than anticipated.

Cotton production was pegged at 5,500,000 bales, an increase of 500,000 bales over the Sept. 1 forecast.

The crop, the USDA said, would be second only to the record-high 1926 harvest of 5,628,000 bales.

The yield per acre, estimated at 256 pounds, would be the highest since 1894.

Production last year was 3,150,000 bales, far below this year's forecast but topping the 10-year average of 2,722,000 bales from 1938-47.

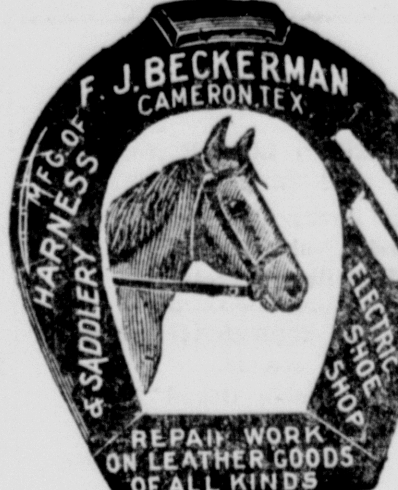

## Proposed Acreage Quota Would Mean 17,000 Acre Cotton Cut in Milam County

If the 20 per cent cut in cotton acreage goes into effect on 1950 crops Milam county will have 17,000 acres less cotton than it had in 1949. This newspaper checked with Alva E. Sanders, director of the government farm service here, and he said that Milam county planted approximately 85,000 acres to cotton in 1949. He was careful to say that this was only an estimate but it may be regarded as substantially correct since Mr. Sanders is in close touch with crop acreages.

If the acreage is restricted 20 per cent it will mean 17 thousand acres less next year.

The big problem here is to find something profitable to plant on 17 thousand acres of land that will be taken out of cotton production.

Capt. and Mrs. W. H. Garner and baby who have been visiting in the L. F. Gohmert home are visiting relatives and friends in Arkansas before returning to their home in Carning, Iowa.

## MRS. A. S. DODSON DIED LATE SATURDAY

Mrs. A. S. Dodson, 68, died at 12:30 p. m. Saturday, October 15 at the family residence following a month of illness.

Mrs. Dodson was a native of Alabama, born on November 1, 1881. She came to Texas with her parents at the age of three. The family settled in Montgomery county. The family continued to live in Montgomery county until 1890 when they moved to Milam county and settled near Maysfield.

The deceased was married to A. S. Dodson in 1897. They began their life

together at Maysfield and later moved to Ben Arnold where they lived until the death of Mr. Dodson. She then moved to Cameron and had made her home here since that time.

Funeral services were held Sunday, October 16 at 2:30 p. m. at New Providence Baptist Church at Belmena with Rev. J. C. Collins, officiating. Interment was made in the cemetery at Ben Arnold with the Green Funeral Home in Cameron directing arrangements.

Surviving are three sons, Eddie Dodson, Nolan Dodson and Neal Dodson, all of Cameron; two sisters, Mrs. Gena Meadows and Mrs. Etta Musgrave of Conroe, Texas; three brothers, Elijah Reaves of Spring, Texas, William Reaves of Victoria and Frank Reaves of Houston.

## Gayle's swallowed a bobby pin!

When her two-year-old daughter swallowed a bobby pin late one evening, Mrs. Chenoweth rushed to the telephone—and this series of calls followed. She says that she wouldn't even try to guess what these calls were really worth to her. But she can tell you what her actual cost was—less than 2c each! Mrs. Chenoweth knows the cost because she kept an accurate record of all her telephone conversations, then checked it against her monthly bill. "I never realized before," she reports, "how much the telephone helps me run our house, keep in touch with our friends and meet emergencies. It's a real bargain!"

To Mrs. Chenoweth's verdict, may we add: We're doing our best to make your telephone service a real bargain today . . . and to keep it growing in value every year. Southwestern Bell Telephone Company.

## Shirley Temple and Husband, John Agar, Will Be Divorced

HOLLYWOOD, Oct. 18—Shirley Temple, who as a winsome, golden-haired tot charmed her way into the hearts of millions of movie fans, split today with her handsome husband of four years, actor John Agar.

"I have no comment, whatsoever," the 21-year old Shirley said calmly. "We reached a decision last night. John is no longer living in our home."

Her attorney, George Stahlman, said he is drawing up divorce papers. The complaint will allege mental cruelty.

Agar, 28, declared: "I have nothing to say other than that I hope the thing can be handled in a dignified manner. I haven't thought it out clearly as yet, but I do not think I will contest Shirley's divorce suit."

Hollywood has buzzed with rumors for several weeks that trouble was brewing. But they kept up appearances to the end. In public their marriage seemed the storybook affair it started out to be.

The wartime romance between America's sweetheart and the tall, good-looking air force sergeant put her back in the spotlight she had vacated when awkward adolescence hobbled her screen career.

Her daughter, Linda, was born Jan. 30, 1948.

The one-time wonder child, now a mature 21, was an actress at four, a star at five, the number one box-office attraction from 1935 through 1938, and won four straight academy awards for the best performance by a juvenile.

Mr. and Mrs. H. C. Tindall spent last week end in Waco.

## 20 PER CENT CUT IS SUGGESTED REDUCTION

WASHINGTON, Oct. 18—The government, which holds a \$550,000,000 cotton surplus, proposed a rigid control program today designed to cut 1950 production at least 20 per cent below this year.

The program would include acreage planting allotments and marketing quotas.

Cotton held by the government was acquired under grower price support programs. It represents supplies from 1945 and 1949 crops not needed by the market.

The quotas must be approved by at least two thirds of the growers voting in a referendum before they can be put into effect. Growers will vote Dec. 15.

Proposed by the Agriculture department, the program would seek to hold next year's crop to about 1,733,750 bales compared with 15,446,000 produced this year.

The control program would go as far as the law permits in restricting production. It sets a national planting allotment of 21,000,000 acres and would limit penalty-free sales to the amount grown on those acres, providing, of course, growers voted for quotas.

By comparison, farmers planted about 25,280,000 acres this year.

If quotas are approved, growers will be free to sell all the cotton they produce on their planting allotment, cotton grown on excess acres would if sold, be subject to a penalty tax equal to half the June 15, 1950, parity price of cotton. At present parity rates, the penalty would be about 15 cents a pound, a slightly more than half the market value.

The 21,000,000 acre planting allotment will be divided among cotton growing states and counties and then apportioned among individual farmers on the basis of formulas in farm laws. These formulas take into account past planting by individual farmers and recent trends in state acreages.

The referendum will be held in all cotton producing counties of these states. Only farmers producing cotton this year will be eligible to vote. Any person who had an interest in the 1948 crop as owner, tenant or share-cropper may vote.

The department is required by law to propose marketing quotas whenever the cotton supply exceeds what the law describes as the "normal" supply for the marketing year ahead. The normal supply is the quantity estimated to be needed by the market plus a reserve.

The department said current supplies are about 27 per cent above normal.

The department said its state and county production and marketing administration committees are now compiling information on which to base individual farm acreage allotments. It said each farm operator should receive his individual allotment before the referendum date.

## INDUSTRIAL STRIFE IS UPPED BY NEW STRIKE

Aluminum, the metal of airplanes and cooking pots, joins coal and steel on the nation's widening strike front at midnight tonight.

The latest strike arose as Secretary of Commerce Sawyer grimly predicted that the two-week-old steel tie-up will idle 5,000,000 persons if it runs to Dec. 1—and will have seriously damaged the nation's economy.

Sawyer said reports to his department suggested that many small firms will be forced to close their plants if steel inventory replacements do not become available before Nov. 15. He added that many of them would not have the capital to reopen.

An 11th hour government effort failed to head off a strike of 14,000 CIO United Steelworkers at nine Aluminum Company of America plants. The strike is set for 12:00 a. m. tonight.

Anc Conciliator William N. Margolis made a flying visit here this afternoon for last-minute talks with company and union officials. Margolis returned to Washington without making any statement. An Alcoa spokesman said, however, the peace effort was fruitless. He added:

"The strike is on as far as we know."

Arthur Goldberg, steelworker counsel who met with Margolis and the company officials, said:

"The situation is unchanged."

The Alcoa spokesman said:

"The company again expressed willingness to work out details of a settlement and postponement of the strike action. The union refused to call off the strike."

Coal negotiation marked time. The steel picture was grim.

CIO and United Steelworker President Philip Murray said settlement of the two-week-old strike is now "in the lap of the gods."

Alcoa reported negotiations col-

## Rev. J. W. Newton Will Speak Sunday At Church In Lott

J. W. (Billy) Newton of Maysfield, second-year student at the Austin Presbyterian Theological Seminary, will deliver the morning sermon at the Presbyterian Church of Lott next Sunday.

Newton is a graduate of Yoe High School in Cameron and spent three years in the Army with service in the European theater. The son of Mr. and Mrs. H. G. Newton of Maysfield, he is married to the former Miss Doris Stidham of Cameron.

During the first part of last summer Newton attended Andover Theological Seminary in Boston, Mass., in a special training course in counselling for the sick. Returning to Maysfield, he spent the remainder of the summer preaching in Presbyterian churches in Texas City, Luling, Gonzales, Hamilton, and Gatesville.

He seeks the Bachelor of Divinity degree from Austin Seminary.

## Milano Future Homemakers Meet

The Milano Future Homemakers held their business meeting, October 6, in the homemaking building.

Geneva Hurt, president, followed the Future Homemakers Ritual in all proceedings of the meeting.

Bennie Pinkerton, finance committee chairman, presented a proposed budget for this year.

Dolores Blackmon, program chairman, presented the new year book plan for approval.

Earlene Pratt explained the requirements for getting a Junior and Chapter degree. In addition to the national requirements, the Milano members voted that all degree candidates must know the FHA opening and closing ritual.

Twenty girls signed an intention form for getting a chapter degree and eleven girls signed for a Junior degree.

The chapter voted to take part in the world wide Christmas Festival again this year and plan to have their gifts ready by October 28.

Mrs. Jessie Bankston, honorary member, Mrs. Gertrude Pruett, chapter mother, and Mrs. W. T. Whatley, sponsor, were present.

Anna Jan Baskets, Reporter.

## LONG TRIAL ENDS AS GOVERNMENT WINS

Ten top communist leaders, on trial in New York for 9 months, were found guilty Friday morning in the court of Judge Medina.

The maximum penalty is \$10,000 fine and 10 years in prison. The communists were convicted as conspirators to overthrow the government. Judge Medina took over two hours to deliver his charge. The verdict of guilty should have a far reaching effect on the Communist party as set up in the United States.

Sentence was to be pronounced Monday.

In the prosecution the men were depicted as instruments of revolution. The question of political privilege was not at issue, neither was the Communist Party or any theory of government. Stripped of all pretense Judge Medina made certain the men would be judged on the charge that they have conspired to overthrow the government and had gone beyond the constitutional limits of political freedom.

It was freely said Friday that the outcome of the case would have a far reaching effect on outlawing communist conspiracies in America.

The defendants are:

Eugene Dennis, 44, general secretary of the communist party in America; John Gates, 36, editor of the communist newspaper, The Daily Worker; Robert G. Thompson, 34, New York state communist party chairman; John Williamson, 46, party labor secretary.

Jack Stachel, 49, national education director; Henry Winston, 35, Negro, national organizing secretary; Irving Potash, 46, vice-president of the CIO Fur and Leather Workers Union; Gilbert Green, 43, state chairman of the party in Illinois; Carl Winter, 43, Michigan state chairman; Gus Hall, 39, Ohio state chairman; and Benjamin Davis Jr., 47, Negro, New York city councilman.

William Z. Foster, 67-year-old head of the party in America, was indicted with the other eleven. But his failing health made his trial at this time impossible.

Friends in Cameron are grieved to hear of the auto accident in which Mrs. J. W. Bass, of Austin was injured last week while on a week end visit to her son, W. F. Crawford and family at Waco. The accident occurred near Waco. Mrs. Bass was taken to Hillcrest Hospital where her condition was pronounced serious. Her colored driver was not injured seriously. ## Purina Dealer Here Schedules Meeting For Cattlemen Oct. 26

A meeting for cattlemen of Cameron and vicinity will be held at Ideal Hatchery on Wednesday night, October 26, it has been announced by Leo Fuchs. The meeting will begin at 8 o'clock.

Assisting Mr. Fuchs will be Roland Kaderli, of the Purina Mills. Much experimental work and research has been done by Purina Mills to find out exactly what combination of proteins, vitamins, carbohydrates and minerals make the most economical feed for cattlemen.

Last year Purina Mills completed a 2 year test comparing Cotton Seed meal and cake with their 20% balanced Range Checkers. This experiment was run on a ranch west of San Angelo, where 50 cows winter-fed on Purina Range Checkers weaned 48-lb. heavier calves than 50 cows fed on cake. Both groups were fed exactly the same amount. The 48 lbs. difference in weight per calf meant about \$9.60 extra income per head.

The meeting will start promptly at 8:00 p. m. and anyone interested in beef cattle or sheep is invited.

### CARD OF THANKS

I take this method to thank all my friends who were so nice to me during my illness. I am especially grateful to Dr. Billy Newton and Dr. Shapiro and to the staff of nurses who were so kind and helpful during my stay at the Newton Memorial Hospital.

## 10 Local Students Are At San Marcos STSTC College

Ten residents of Cameron and surrounding communities are among the 2,010 students currently enrolled at Southwest Texas State Teachers College.

With the largest long term enrollment in its history, the College in San Marcos will begin this winter a program of building which will eventually double the size of its present facilities. Included in new construction plans are two dormitories, a cafeteria, an infirmary, a Fine Arts Building, several co-op houses, and an addition to the College Library.

These students are Billy Yager, Joe Hawkins, Roy Garrett, William Sweet, Richard Jones, Milton Jistel, Lawrence Michalka, Edmund Schmidt, of Cameron, Hubert Shafer of Gause, and Paul Burke of Davilla.

Sunday visitors in the home of Mr. and Mrs. F. J. Beckerman were: Mr. and Mrs. Sam Porter and sons, Sam Louis and John Edward of Overton; Mrs. Thresa Shannon of Fort Worth and Mr. and Mrs. H. Sies of Houston.

Ladis Zavrel of Buckholts was in Cameron Monday of the past week.

## Future Farm Boys And Girls Going To Dallas Fair

Cameron Future Farm boys and Future Homemakers will leave the city early Saturday for Dallas where they will enjoy the state fair for a day.

It is FHA, FFA and 4-H Club day at the fair.

Special buses will take the boys and girls to Dallas. There will be 50 FHA girls and 32 FFA boys and LeRoy Thompson, Agriculture Teacher at Yoe High School and Mrs. Eula Sutherland, Homemaking teacher, will go along to chaperone the students.

Many friends in Cameron will regret to learn of the death of Cam L. Fannin, 69, who died in Dallas last Saturday. For many years he was manager of the Majestic Hotel in Marlin, and was popular and well known among the Masons, Knights of Pythias and Elks. He is survived by his widow, Mrs. Myrth Fannin. His aged mother passed away this year at the age of 161 years and had lived in Marlin most all her life.

Mrs. Billy Gillis and daughter visited in the home of Mrs. W. G. Gillis Saturday and Sunday. They visited Mrs. Leslie Sadler in Waco Sunday.

Mr. and Mrs. A. S. Lehnert are the happy parents of a daughter born October 18, 1949 at St. Edwards Hospital.

## 28,000 BALE CROP IS FORECAST HERE

Milam county had ginned 18,789 bales of cotton up to October 1, 1949 as compared with 18,878 bales up to the same date in 1948.

These figures were released Saturday by Jack Barnes of Buckholts, reporting agent for the Bureau of Census under the Department of Commerce.

Mr. Barnes gave the information to the newspapers as quickly as possible after they had been released by the Department.

The figure occasioned some surprise here since it was believed the ginnings were larger, perhaps around 20,000 bales. However, the crop in 1949 is late and on October 1 of 1948 the harvest was well over.

Those in close touch with the crop estimated here Monday that the ginnings would rise some 40 per cent above the figure as of October 1, or slightly more to give the county around 28,000 bales for 1949.

Weather conditions have hampered harvest along with a serious shortage of pickers. The crop has been harvested under worse conditions than in 1948 and being much larger the final figure will be delayed.

Mr. and Mrs. Spencer Henderson and son of Ft. Worth are guests of Mr. and Mrs. Wells Smith this week.

## School Heads Urged To Meet Challenge In Gilmer-Aikin Bill

AUSTIN, Oct. 10—More than 500 school administrators today urged all school administrators to recognize "the obligation and challenge" of the Gilmer Aikin program for an improved Texas school system.

The resolution was one of many adopted in the Texas Association of School Administrators meeting here. Another expressed gratitude of Texas taxpayers for the increased financial support for the program.

Other resolutions urged no new textbook adoptions be made for the 1950-51 school year, that school personnel avowing leanings toward Communism or any other "isms" challenging the principles of democracy be dismissed, and that Warren Travis White, Dallas superintendent of schools, be actively supported for the presidency of the American School Administrators.

The textbook resolution said that schools now have a sufficient number of textbooks on hand for the 1950-51 school year and with re-bindings where necessary the State could save an estimated \$3,000,000 by using the texts.

The stand on the Gilmer-Aikin program urged that "school administrators recognize the obligation and challenge resulting from the recently adopted program of education in Texas through diligence and working toward the improvement of offerings and instruction which will more nearly meet the needs of the children of Texas."

The educators also adopted a resolution encouraging adoption of the proposed constitutional amendment to increase Legislators' salaries and turned down a resolution urging repeal of the poll tax voting requirements.

## BILL MASON KILLER IS SEEKING BOND

BELTON, Oct. 14—Application for writ of habeas corpus was filed this afternoon in district court here by defense attorneys for Sam Smithwick of Alice.

Smithwick is charged with murder with malice in connection with the pistol slaying of radio commentator W. H. (Bill) Mason in Alice on July 29. Smithwick has been held in Bell county jail since the case was transferred here on change of venue a little more than a month ago.

Hearing on the habeas corpus will be held in district court of Jim Wells county since the slaying took place there. District Judge Wesley Dice is expected to make the application returnable to the district court of Jim Wells county.

The date of the hearing likely will not be set until next week since Judge Dice is in Austin to attend the annual conference of district and appellate judges today and Saturday.

Attorneys for the defense are Henry Wilder of George West, Texas, county judge of Live Oak county, Byron Skelton and Henry Taylor, Sr., both of Temple. Mr. Taylor is a well-known criminal lawyer of Central Texas and was district attorney in Bell county for eight years.

### Miss Natilie Kemp And Buford I. Baker Married October 8

Relatives and friends have received the announcement of the marriage of Miss Natilie Kemp, of Burkburnett, to Buford I. Baker, Saturday, the eighth of October, 1949. Miss Kemp is a native of Cameron. Miss Kemp is the daughter of the late Mr. and Mrs. M. M. Kemp, who for many years lived in Cameron, where Mr. Kemp was a dry goods merchant. Miss Kemp visited here after leaving for Waco where she lived for a number of years before going to Burkburnett where she made her home with her brother and family, Mr. and Mrs. George G. Kemp.

She is a cousin of the late Judge Jeff T. Kemp, and many friends in Cameron will be glad to hear of her happiness. They will make their home in Wichita Falls, his former home.

### Cecil Arnold Given Birthday Honors

Cecil Arnold, little son of Mrs. Loraine Arnold celebrated his seventh birthday Wednesday, October 12 with a party at the City Park.

Ann Allison, Tandy Wilkerson, Glenn Blake, Dannie DuBois, Lucy Cheeves, Phil Eanes, Marilyn Hughes Kenney Blake, Lee McCown, Sharon Vick, Henry Clore, Helen Reid, Carol Fikes and Joe Bob Esslinger, friends of Cecil were present to wish him many happy returns for the day.

Mrs. Arnold used Halloween colors in her decorations. She was assisted by mesdames, John Eanes and Gene Blake in serving Ice Cream and Cake. The cake was a lovely pink and white with birthday decorations. Plate favors were plastic witches with orange and black suckers and balloons.

The honoree received many useful gifts and thanked everyone in his charming manner.

### Marion Brewer and J. Cleveland Echols Married In Denton

Before an altar banked with white gladiolus in tall baskets and large candelabra, Miss Marion Brewer became the bride of Joseph Cleveland Echols Sunday afternoon in the Texas State College for Women Little Chapel-in-the-Woods in Denton. Rev. Joseph J. Copeland, First Presbyterian Church, Denton, read the service.

The bride, daughter of Mrs. Charles Harris of Dallas, and Sam Brewer of Cameron, wore a floor length gown of cameo pink satin designed with a deep oval cuff collar and self gathered inset, short cuff sleeves, and fitted bodice with a shoulder length ivory veil of illusion. The very full gathered skirt was tied at the waist with a self sash.

The bride carried white roses showered with stephanotis on a white Bible. Mrs. Paul Hosack, cousin of the bride from Waco, attended the bride as matron of honor. Her other attendants, Miss Charlotte Briggs of Dallas and Marion Echols of Fort Worth, wore identical dresses of dark green satin and carried colonial bouquets of bronze pom-pom mums.

The groom, son of Mr. and Mrs. Joe Echols of Fort Worth, was attended by Eb Sitton of Fort Worth as best man. Ushers were Le Roy Brock, Camden, Arkansas, and Joe Couch of Dallas.

Preceding the ceremony, Miss Virginia Clair McClelland of Marshall, played "Jesu, Joy of Man's Desiring", Bach. She also played the traditional wedding marches.

The bride's mother wore a bronze trimmed beige dress with beige accessories and carried bronze flowers. Mrs. Echols, mother of the groom, wore a teal blue dress with gray accessories and white gardenias.

The couple will be at home at 3221 Willing Avenue in Fort Worth.

The bride, a member of Phi Sigma Alpha, was graduated from North Texas State College in Denton. Mr. Echols, who is also a graduate of NTSTC, served four years in the Army in India.

### Mrs. Sam Mewhinney Hostess to Sarah McCalla Chapter DAR

Daughters of American Revolution recently held the initial meeting of the year with Mrs. Sam Mewhinney at her ranch home near Buckholts. The drive going out was most enjoyable and Mrs. Mewhinney's hospitality is always something to look forward to.

The regent, Miss Aetra Smith presided. Among the communications was an invitation from the Jane Douglas Chapter in Dallas to join them in a luncheon October 19, at the centennial DAR house on the State Fair grounds.

After the business session Mrs. Jeff T. Kemp, who was delegate from Sarah McCalla Chapter DAR to continental congress in Washington gave her report in her own inimitable way, revealing glimpses of her good sense of humor here and there. While there she enjoyed a visit with her daughter, Mrs. William Brown as well as attending continental congress in constitutional hall.

Mr. and Mrs. Arthur Kuehl visited L. R. Carleton and daughter Vivian over the week end. Mrs. Kuehl is the former Connie Carleton.

Frank Ermis of Austin visited in the home of his daughter, Mrs. Frances Michna and other relatives and friends in Cameron the past week.

### Rummel Family In Reunion Sunday

A reunion of the John Rummel family was held at the Rummel residence in Burlington Sunday. This was the first reunion of the family since World War II.

The following nine children of the family were present: Harding Rummel of Burlington, Mr. and Mrs. Harry Rummel of Dallas, Mrs. Leonard Heaton and children, Leonard, Jr., and Edna Ethel of Philadelphia, Penn., Pvt. 1st class Ervin Rummel of the Marines stationed at San Anna, California, Mr. and Mrs. Willie Stall of Ben Arnold, Mr. and Mrs. Albert Rummel and son of Burlington, Arnold Rummel of Burlington and Fay and Clarence Rummel all of Cameron. ## GET Big CALF CROPS

### Help build up YOUR COWS with PURINA RANGE CHECKERS ...a quality range supplement

Yes, many cattlemen get 90% calf crops—some almost 100%—by feeding Purina Range Checkers for 3 to 5 months during the winter. And their calves are usually enough bigger in size to more than pay the cost of the feed. All this is made possible because the cows are usually brought through the winter in better condition on Purina Range Checkers.

Why? Because Range Checkers contain 3 kinds of proteins—cottonseed, linseed and soybean oil meal...plus minerals, and molasses—a fine conditioner.

So, before you buy or book feed, ask us about Range Checkers. IT'S PRICED RIGHT!

## CRAZY KILLER TAKEN AT DALHART MONDAY

Lenard (Lucky) Hawkins, murder suspect, who had dodged scores of Panhandle officers and Texas Rangers for five days, was captured late Monday, because a small boy recognized him and did not get scared. The man had been in the vicinity of Dalhart where he was taken near a farm home.

Officers who answered a frantic call from the child's mother flushed Hawkins out of a clump of trees at Middle Water, a railroad section community about 200 miles west of here.

Hawkins, 34, is charged with murder in the shooting of Alfred Clark, 23, of Boise City, Okla. Clark's body was found last Wednesday near Jerseyville, Ill.

Hawkins' luck ran out when he asked John William Smith, 10, to bring him some matches.

John coolly sauntered into the house, awakened his mother, Mrs. W. S. Smith, and blurted out:

"Mother, there's a man out there who wants some matches. I think he's the man they're looking for."

Mrs. Smith rushed to a window. She recognized Hawkins from newspaper pictures.

"I was sure it was he," she said. "I could hardly wait to get to the phone and call the law."

But first Mrs. Smith gave John some matches.

The 10-year-old calmly took them to Hawkins, who retired to the clump of trees, about 30 yards from the house.

Eight officers sent by Sheriff W. L. Stout arrived at the house at 4:45 p. m. Mrs. Smith pointed out the clump of trees.

The officers moved in on Hawkins. He gave up quietly, and they pulled a loaded .32 caliber automatic pistol from the waistband of his trousers. A cordon of officers had been guarding Dalhart since Saturday, when Hawkins was seen there. It was believed he was hiding somewhere in this Panhandle town.

Texas Ranger Capt. Bob Crowder, who was in on the capture and questioned Hawkins, said the suspect told officers the shooting of Clark was an accident.

A farmer found the body Wednesday sprawled beside a country road near Jerseyville.

Clark was lured from his job in Clayton, N. M., by a man who offered to split a set of World Series tickets with him, if Clark would use his car for the trip to St. Louis. They believed the Series would be played there.

They left Clayton Oct. 3. The first concern for Clark was felt Oct. 7, when a Dalhart girl reported she had been kidnapped in Clark's car.

The search for Hawkins began after Clark's body was found Wednesday. Game Warden Jess (Shorty) Felts of Dalhart, another officer who helped in the capture, reported Hawkins said he would go back to Illinois to "explain Clark's death the best he could."

Felts said Hawkins told him he had been hiding in a maize field at the northeast edge of Dalhart since Saturday. Last night, Hawkins told the officer, he made his way through deep, rugged gullies to Middle Water. Juanita Groves, 19, of Dalhart tipped officers that Hawkins was in the Texas Panhandle. She said she had known the suspect in New Mexico and Montana and that she had been kidnapped Oct. 7 in a car containing papers which identified it as Clark's.

The girl said she escaped at Vega, Texas, by hitting Hawkins on the head with a fire extinguisher.

Hawkins appeared last Saturday in a Dalhart restaurant where the girl was eating breakfast. He was carrying a pistol.

She screamed and fled to the rear of the cafe, with Hawkins in pursuit. Cook, Jack Woodruff tangled with Hawkins in the kitchen. Hawkins clouted the cook on the head with his pistol and got away, but the girl had escaped in the confusion.

Within hours roadblocks were thrown up around Dalhart, Hawkins a former Bush League baseball player, appeared late Saturday night at a Dalhart liquor store.

That was his last appearance until his arrest today in the grove of trees.

## Baptist Homemakers Meet Wednesday

# SENATE AND HOUSE AT VARIANCE OVER BILL

The Senate today passed a farm price support bill incorporating a sliding scale of price drops which President Truman is reported to oppose.

The measure which the Senate finally approved after lengthy debate also is sharply at odds with a rival bill passed months ago by the House.

The Senate bill, sponsored by Senator Clinton Anderson, Democrat of New Mexico, former Secretary of Agriculture, provides for supporting major crops next year at 90 per cent of parity but only if they are under production or marketing controls. After 1950, the support level could range down to 75 per cent at the discretion of the Secretary of Agriculture.

The House bill, on the other hand, calls for a continuation through 1950 of the 90 per cent of parity supports which prevailed throughout the war.

The parity concept has been the basis of Federal farm legislation for many years. Parity is a price calculated to give farmers a fair return for the things they raise, in terms of what they have to buy.

The Senate bill revises that formula to take account of the cost of hired hands. The result is to give slightly higher price levels for farm products that require a lot of hand labor—meat, milk, tobacco and so on—and somewhat lower levels for corn, wheat, cotton and other row crops.

The Senate passed its bill by a voice vote.

The next step is for the Senate and House to try to iron out the differences in their bills. These are so basic, however, that no quick compromise was in sight.

Chairman Cooley, Democrat of North Carolina, of the House Agriculture Committee predicted that the House conferees will insist upon full 90 per cent support of basic crops, with the possible exception of corn, where farmers agree to acreage allotments and marketing quotas.

Cooley said that if Senator Anderson and Senate Democratic Leaders Lucas want lower supports on corn he is willing to let them write their own ticket on that crop.

## Sam Bridges Died At Grapeland Monday; Father of Local Man

Sam Bridges, 69, died at the family residence in Grapeland, Texas Monday, October 10. He had been ill for several months.

Funeral services were held from the Methodist church in Grapeland Tuesday afternoon. Mr. Bridges was the father of Aubrey Bridges of Cameron.

Surviving are five sons and five daughters.

Mr. and Mrs. August Horstmann, Mrs. Grady Little, Mrs. R. M. Hadrox and Mrs. M. A. Chambers of Cameron, attended the funeral.

Mr. and Mrs. J. A. Rippee have returned to their home in Dawney, California, after spending several days here visiting relatives and friends. Mrs. Rippee's mother, Mrs. Ada Belle Kennon accompanied them back to California where she will visit indefinitely.

Mr. and Mrs. H. D. Penney of Austin announce the arrival of a seven pound and one half ounce son: born October 11, 1949 at St. Edwards Hospital. The baby has been named, Robert Harol.

## Glenn McCarthy Is Target for \$50,000 Extortion Plot

HOUSTON, Oct. 12—A former deputy sheriff was accused today of writing a threatening letter attempting to extort \$50,000 from wealthy oilman Glen McCarthy.

Raymond Chambers, 43, pleaded innocent when arraigned before U. S. Commissioner W. F. Carothers. He was released under \$7,500 bond.

For four years Chambers was a Harris County deputy sheriff, office records show. More recently he was a \$7-a-day janitor at the multi-millionaire McCarthy's swank Shamrock Hotel.

An examining trial was set for Wednesday. FBI agents said much of their evidence would have to be brought from Washington.

Chambers was charged with writing a letter that threatened to "kill or injure" McCarthy or a member of his family if the oilman and sportsman did not leave \$50,000 at the door of a Houston home.

For several days appearance of armed guards at the plush McCarthy residence several blocks southwest of the Shamrock had puzzled Houston residents. McCarthy said the guards "quite obviously" resulted from the letter; that "every precaution was taken."

## JOHN L. LEWIS SAYS IT SEEMS HOPELESS

Gloom spread over the industrial work Thursday as hopes were abandoned in the coal and steel strikes.

John L. Lewis, head of the UMW, now in conference with Southern Coal Operators, said that the only hope for resumption of the mining of coal would be for the government to seize and operate the mines.

Lewis has been bitter in criticism of both coal and steel barons whom he charges are jointly opposing settlement.

Meanwhile the government mediators were keeping talks in progress. They seemed to believe that there were hopes as long as talks were in progress.

Mr. Lewis, in his statement, had apparently abandoned all hopes of a settlement. Likewise no progress had been made in the steel dispute.

Meanwhile unemployment was spreading as industries depending on both steel and coal laid off workers in many parts of the industrial east midwest and south.

Stock piles of steel and coal were dwindling fast. If the strikes continue they will affect transportation as well. Winter without coal in the north and east is a grim experience for millions of people.

## Former Coach At Texas Is Dead

MILWAUKEE, Oct. 9—William J. Juneau, 70, one-time University of Texas football coach, died in his sleep early today.

During his 20-year career, Juneau also was grid tutor at Colorado College, South Dakota State, Marquette University, the University of Wisconsin and the University of Kentucky.

It was during the 1915 season Juneau moved to the University of Texas where he captured both football and track titles for the Longhorns.

Jimmy Lester made a business trip to Houston this week.

## TIRE CONTRACT SOUGHT WITH BOARD CONTROL

Milam county has instituted what appears to be an important economy move by negotiating a tire buying contract with the state Board of Control.

The Commissioners Court in session here Monday vote to conclude an agreement with the state through the Board of Control to buy tires for county equipment in the four Commissioner precincts. It was estimated that a saving up to about 35 per cent can be effected on this big item in the maintenance of equipment.

It was pointed out that this method of buying tires is being widely followed throughout the state and Milam county is a bit slow getting around to the economy to be effected in this deal.

The court also voted to ask the State Highway Department to straighten out the farm to market road from south of Ad Hall to the point it intersects Highway 36.

Judge Dan Tyson said that the court had petitions from citizens in

Buckholts, San Gabriel and Sharp asking that the road be rebuilt to avoid the sharp turns. Several corners have to be negotiated within a short distance coming into Ad Hall from Sharp.

This road has been authorized from Tracy to A. Hall. A road has been completed from Rockdale to Tracy and from Thorndale to San Gabriel and to Tracy north. The road has not been authorized from the McDonald station to Sharp a badly needed improvement.

The court here Monday transacted a lot of business including the monthly batch of accounts presented under the scrutiny of Coon Isaacs, county auditor.

A large crowd attended the cemetery cleaning at Rice Friday, October 7. Many out of town and local people brought their basket lunches and spent the day beautifying the cemetery. There were 13 persons present that attended school at Rice many years ago.

Ouida Gesbach of Friendship attended to business in Cameron last week.

## GAUSE FIELDS TEAM IN FOOTBALL PLAY

With its goal lines uncrossed this season the "Pee Wee" football team of Gause Public school defeated the Bowie Elementary school, 12-0, at Bronco Field, Bryan, Thursday.

The score was held to 0-0 until the third quarter, when Gause's Johnny Moore intercepted a pass on the Bowie 15 yard line. Ray Lee Baggerly then took it across right guard for the touchdown. The try for the extra point was unsuccessful.

In the closing minutes of the final quarter Wayne Jones ran around left end after Bowie had given over on downs at the 15 yard line, and scored the second touchdown. The extra point was again no good.

On September 28 Gause met Crockett at Bryan in a scrimmage game, and the score was 24-0 in favor of Gause.

The newly organized B Team met Allen Academy at Gause on October 11, and was defeated by a score of 19-13.

More than half the Gause team had never played football and some had never seen a game. Coach Bill Harrell has not selected a first line squad for the B squad which has games scheduled for Allen, Bryan and other central Texas teams.

The B team line-up is as follows: RE, John Hafley; RT, Ray Lee Baggerly; RG, Larry Yoakum; C, Joe G. Moore, Jr.; LG, Joe Baggerly; LT, Clifford Morgan; LE, Junior Crockett; RH, John Moore; LH, Hubert Lange; QB, Harold Lange and FB, Wayne Jones. Substitutes are Donnie Alford, Wayne Lange, Garland Lange, Bobo Todd, Buddy Hiteman, Wayne Alford and Carl Crafton.

Mrs. G. R. Varner, Superintendent, expresses her sincere thanks to the patrons and friends of the school for their moral and financial support. It was more than the Gause fans could take to see their team dressed in blue jeans and grey sweat shirts, and the Allen Academy boys were uniformed in khaki pants and red football jerseys. In less than an hour, Eugene Walker, civic leader and Philanthropist, had donations totaling \$226.00. The next day he went to Waco and purchased twenty-two complete uniforms, the finest that W. A. Holt Company could offer.

Continuing their winning streak, Gause defeated Thorndale Juniors, 20-6 in a game featured by long runs by Wayne Jones and Norval Jones after a steady march down the field. In the second quarter Jones made the second score with a 50 yard run on a double reverse. The third score was made on a touchdown push from the Thorndale three yard line. Thorndale made their score late in the first half on a long pass from mid-field.

### Special Train Fails; Game Tickets On Sale In Cameron To-Day

Cameron fans turned down a proposed football special train Tuesday with only 73 tickets reported purchased when the minimum was 190.

There will be no special train Friday night to Killeen. This is a severe disappointment because of the deepening shadow of failure falling across even the simple efforts to do things in the community.

Tickets to the game in Killeen were placed on sale at 1 p. m. Wednesday at the Chamber of Commerce. They are general admission tickets. A limited number of reserved seat tickets are available but they are on the Killeen side of the stands. No reserved seats were available on the Cameron side.

If you delay buying your ticket and hesitate as you did on the proposed special train, you won't get a seat because there will be an overflow crowd. Many fans will be disappointed. High school stadiums are as out-moded as spit balls in an atomic war.

But, the brighter side of the picture is that a large number of general admission tickets are on sale here. This means of course the same kind of ticket will be on sale in Killeen and so it is first to get there to be blessed with a seat.

Everyone who bought a train ticket was guaranteed a seat. Now you just take your chances.

### Girl Scout Troop 3 Names Officers
